

2015-2016 VIRGINIA TEACHER-ELIGIBLE INDUSTRY CREDENTIALING ASSESSMENTS

The 2015 General Assembly passed HB 2137. The legislation states, in part, the following:

1.A. As used in this section: "Industry certification credential" means an active career and technical education credential that is earned by successfully completing a Board of Education-approved industry certification examination, being issued a professional license in the Commonwealth, or successfully completing an occupational competency examination.

D.6. Every teacher seeking an initial license in the Commonwealth with an endorsement in the area of career and technical education shall have an industry certification credential in the area in which the teacher seeks endorsement. If a teacher seeking an initial license in the Commonwealth has not attained an industry certification credential in the area in which the teacher seeks endorsement, the Board may, upon request of the employing school division or educational agency, issue the teacher a provisional license to allow time for the teacher to attain such credential.

Related legislation, House Bill 758, was first enacted in the 2014 General Assembly that amended and re-enacted Section § 22.1-298.1 of the *Code of Virginia* regarding teachers seeking initial licensing in the area of career and technical education, effective July 1, 2014.

As used in this section: "Industry certification credential" means an active career and technical education credential that is earned by successfully completing a Board of Education-approved industry certification examination, being issued a professional license in the Commonwealth, or successfully completing an occupational competency examination.

D.6. Every teacher seeking an initial license in the Commonwealth with an endorsement in the area of career and technical education shall have an industry certification credential in the area in which the teacher seeks endorsement. If a teacher seeking an initial license in the Commonwealth has not attained an industry certification credential in the area in which the teacher seeks endorsement, the Board may, upon request of the employing school division or educational agency, issue the teacher a provisional license to allow time for the teacher to attain such credential.

Related legislation, House Bill 758, was first enacted in the 2014 General Assembly that amended and re-enacted Section § 22.1-298.1 of the *Code of Virginia* regarding teachers seeking initial licensing in the area of career and technical education, effective July 1, 2014.

<u>Microsoft Office Specialist (MOS) Examinations (Pass any one exam)</u>	Microsoft	8401 - Commercial Photography 8410 - Automotive Technology 8530 - Advertising Design 8560 - Printing 8577 - Maritime Trades
<u>Mobile Electronics Certified Professional (MECP) Basic Installation Technician Examination</u>	Consumer Electronics Association	8425 - Electronics Technology
<u>SENSE Training Program Certification Examination (Level 1, Entry-Level Welder)</u>	American Welding Society (AWS)	8580 - Welding

2015-2016 VIRGINIA TEACHER-ELIGIBLE INDUSTRY CREDENTIALING ASSESSMENTS

The 2015 General Assembly passed HB 2137. The legislation states, in part, the following:

1.A. As used in this section: "Industry certification credential" means an active career and technical education credential that is earned by successfully completing a Board of Education-approved industry certification examination, being issued a professional license in the Commonwealth, or successfully completing an occupational competency examination.

D.6. Every teacher seeking an initial license in the Commonwealth with an endorsement in the area of career and technical education shall have an industry certification credential in the area in which the teacher seeks endorsement. If a teacher seeking an initial license in the Commonwealth has not attained an industry certification credential in the area in which the teacher seeks endorsement, the Board may, upon request of the employing school division or educational agency, issue the teacher a provisional license to allow time for the teacher to attain such credential.

Related legislation, House Bill 758, was first enacted in the 2014 General Assembly that amended and re-enacted Section § 22.1-298.1 of the *Code of Virginia* regarding teachers seeking initial licensing in the area of career and technical education, effective July 1, 2014.

NAME OF CREDENTIAL	ISSUING ORGANIZATION	CAREER AND TECHNICAL EDUCATION (CTE) ENDORSEMENT AREAS
TRADE AND INDUSTRIAL EDUCATION (continued)		
<u>Siemens Mechatronic Systems Certification Program Examinations (Pass and one exam)</u>	Siemens AG	8425 - Electronics Technology 8541 – Industrial Robotics
